

DANCE INSTITUTE – COVID-19 POLICY & Waiver

Holland Dance Institute, LLC (“**DI**”) will start offering limited group classes at its studio. Before participating in such classes (and in any private lessons that may be offered), we ask that you review and execute this COVID-19 Policy to confirm your understanding and acknowledgment of, and agreement to, the following:

1. DI is observing social distancing. Upon arrival students should proceed immediately to the studio and take a position that is at least 6 feet from other students. Students are not allowed to linger in the lobbies, restrooms or kitchen.
2. Students should wear masks upon entering and leaving the DI premises, although the masks can be taken off during the class. Students should be dressed for their (first) class upon arrival (except for their shoes).
3. Parents are not allowed to wait in the DI lobbies but should drop off and pick up the students. Students must leave the DI premises promptly after class has finished.
4. A student should not attend class if he or she (i) has a temperature, is feeling sick, or is coughing, (ii) has reason to believe that he or she or a family member has been exposed to someone who has the coronavirus, or (iii) prefers not to observe social distancing or not to wear a face mask in public.
5. Students are required to inform DI if they have traveled in a plane or other mass transit, and DI reserves the right to request that such student not attend class for two weeks. DI is hereby informing students that some of the guest instructors may travel by plane to teach at DI.
6. Only one student at a time will be allowed to use the restrooms. Students are expected to have washed their hands thoroughly at home before entering the studio. Use of the water fountain is not allowed.
7. DI reserves the right to check the temperature of students, require them to go wash their hands or use hand sanitizer, or implement any other practices recommended by the CDC or considered appropriate for the wellbeing of DI’s students and staff.
8. Students are entering the DI premises and participating in their classes at their own risk. DI is not requiring any student to participate in any of the classes and students will not be penalized for not attending class in person at the studio. However, DI expects all members of its competition teams to continue to work on their development and to practice in accordance with the expectations set for their team.

I, for myself and/or, if applicable, my (minor) child, have read and understand the foregoing, and knowingly accept the risk of my/my child’s participation in classes and/or lessons at the DI studios, including the risk of possible exposure to and illness from infectious diseases, including without limitation COVID-19. In consideration for (my child) being allowed to dance at the DI studios, I, for myself and, if applicable, my minor child, hereby release DI and its instructors, owner(s), managers, agents, volunteers, and employees from, and agree to indemnify and hold them harmless against, all claims (INCLUDING CLAIMS OF NEGLIGENCE), demands, actions, damages, liabilities, and expenses (including reasonable attorneys' fees) arising out of or resulting from the use of, and participation in classes at, the DI facilities (including, without limitation, the contraction of COVID-19).

If I am signing on behalf of a minor student, I confirm that I have reviewed the foregoing policy with the student.
